

Children`s play at Klubicko ;)

by Iida Tenolahti

(18.2.2014)Yesterday we had an event in Klubicko with Peppina(Renata) and Amalka(Verka)

The Snowman (Eva) I`m little snowman look at me,these are my buttons one,two ,three...

The grandmother(Katka)

Are you hungry?Are you hungry? Yes,I am...Yes,I am...

The fairy with the magic powder! and the snowqueen from Finland(me ;D)

The snowqueen was surprise for the children,so I was hiding behind the curtain almost the whole time.I didn`t know what was going on the other side or how crowd the gym was;only based on the noise that the children made.

When Peppina,Amalka and the children found the snowman soon it was my time to come out.Chidren repeated:Snowqueen where are you?closed their eyes and when they opened them again the snowqueen was there ;)

I was so nervous! My hands were shaking! Peppina and Amalka asked me some questions. Then I apologised for not having any snow this year...:D

blew some magic powder into children and we sang the snowflake song together :)

At the end we took some pictures with the children:)

One mother gave me this pink rose and a present as a thanks for the work I have done in Klubicko, it was so nice :) I didn't expect it at all!

It could have been better on my side but what can you do when you are so nervous when performing, ach jo! Better luck next time! Anyway I had some fun and so did the children :)
